Senior Software Engineer

Summary

I have a strong foundation in software engineering and programming principles across multiple platforms. Experienced in object-oriented programming; developing, testing, debugging code, deployment. Fast learner that could master new technologies within a short period of time. Good team player with strong self-motivating and self-directed qualities.

Education

2019 - 2023 Bachelor of Information Technology
University of Moratuwa, Sri Lanka

Work experience

- | | |
|-------------------------------|---|
| 30th Nov 2023 - Present | <p>Senior Software Engineer
<i>Levein Technologies (pvt) Ltd</i></p> <ul style="list-style-type: none">• Designed and optimized RESTful APIs using Spring Boot, reducing response time by 30%• Contribute to the continuous improvement of software development processes and methodologies.• Collaborate with cross-functional teams to design and deliver high-quality software products.• Participation in deploying, testing, and monitoring software systems to meet performance standards and user requirements.• Actively participate in code reviews and provide constructive feedback to enhance code quality and maintainability. |
| 27th Dec 2022 - 30th Nov 2023 | <p>Senior Software Engineer
<i>EY GDS Sri Lanka</i></p> <ul style="list-style-type: none">• Serve as a Senior Software Engineer at EY GDS Sri Lanka, contributing to the development and implementation of software solutions.• Collaborate with cross-functional teams to design and deliver high-quality software products.• Participate in the full software development lifecycle, including requirements gathering, design, development, testing, and deployment.• Stay updated with the latest technologies and trends in the software engineering field to ensure the adoption of best practices.• Actively participate in code reviews and provide constructive feedback to enhance code quality and maintainability. |
| 8th Nov 2021 - 23rd Dec 2022 | <p>Software Engineer
<i>Digiratina Technology Solutions (Pvt) Ltd</i></p> <ul style="list-style-type: none">• Development, testing, and support of web-based applications and API functionalities.• Identification of areas for modification in existing programs to enhance functionality and performance, followed by the implementation of necessary adjustments.• Collaboration with cross-functional teams to ensure seamless integration of application features and updates.• Monitoring and troubleshooting of applications to resolve issues promptly, ensuring minimal downtime. |

1st Nov 2020 - 7th Nov 2021	Software Developer <i>OpenArc Systems and Management (Pvt) Ltd</i> • Identification of areas for improvement within existing software programs with subsequent development and implementation of required modifications. • Development and integration of REST APIs to enhance system functionality and interoperability. • Collaboration with cross-functional teams, including developers, UX designers, and business analysts, to ensure alignment with project goals and user requirements.
7th Dec 2019 - 1st Nov 2020	Trainee Software Developer <i>OpenArc Systems and Management (Pvt) Ltd</i> • Developed in REST API developments. • Used Java/J2EE technologies to develop web applications for client-server environments. • Add functionalities to existing applications. • Created Interactive UIs that surpassed client objectives and user experience. • Involved in designing, maintaining and testing in the project.
7th July 2019 - 7th Dec 2019	Intern <i>OpenArc Systems and Management (Pvt) Ltd</i> • Involved in Software development life cycle.
Apr-2021 - Nov-2021	Freelance Developer <i>Shopping cart application</i> Technology used : React, SASS, Typescript, GraphQL, MongoDB, AWS and Node JS.

Projects

1. Dialog TV (DTV) OneCRM Dashboard

Technologies: Spring Boot, Angular, Oracle, Gitlab, AWS, POSTMAN, and Jira Software

- Developed ZTE-HDMI stick migration CR development.
I have participated from the design phase to the deployment face. fixed production issues.
- Contributed to front-end and back-end development efforts, including coding, testing, and debugging.
- Collaborated with cross-functional teams to gather requirements and analyze business needs.
- Implemented Agile methodologies.
- Optimized SQL queries for faster report generation and performance improvement.

2. Dialog OneCRM Hotline

Technologies: Spring Boot, Angular, Oracle, Gitlab, AWS, POSTMAN, and Jira Software

- Developed Primary-Supplementary Details view for Dialog TV customers CR.
- Contributed to front-end and back-end development efforts, including coding, testing, and debugging.
- Collaborated with cross-functional teams to gather requirements and analyze business needs.
- Designed and implemented custom reports using JasperReports for financial data analysis.

3. Skybank Application

Technologies: Spring framework, JSP, Hibernate, Oracle, SVN, Linux Server, and Jira Software

- Developed Savings module for Mercantile Investment (pvt) Ltd.
I have been involved in REST API development.
- Contributed back-end developments.
- Collaborated with cross-functional teams to gather requirements and analyze business needs.

Skills

Web application development framework and technologies

Spring Boot, Java SE, J2EE, Java 8, Spring MVC, Spring Framework, JPA, Junits, Hibernate, Struts, Docker, Redis, Jenkins, JasperReports, REST API, SonarQube , Microservices Architecture and Stripe Payment Gateway

Front-end development frameworks

Angular, HTML , CSS , JSP , Java Script, Bootstrap, JQuery, and ReactJS (Basics)

Databases

MySQL, Postgresql and Oracle PL/SQL

IDE

Spring Tool Suite(STS), Net Beans, Visual Studio, Visual Studio Code, IntelliJ Idea and Web storm

Programming languages

Java, C# , Python and PHP

Monitoring tool

Datadog & AWS cloud watch

Cloud computing

AWS and Azure

Build Tool

Maven & Gradle

Version Control Repositories

Git, Gitlab and Subversion

Certification

- EY Cloud - Bronze Learning (2023)
[Badge](#)
- AZ-900 Bootcamp: Microsoft Azure Fundamentals (APR 2023)
- [eylearning.udemy.com](https://www.udemy.com/course/ultimate-aws-certified-cloud-practitioner/)
- Kubernetes for the Absolute Beginners - Hand-on, Udemy
- [NEW] Ultimate AWS Certified Cloud Practitioner - 2023
April 2023, [Udemy](#)
- *SQL (Basic) Certificate - [HackerRank](#)*
Jan 2023
